## UNCLE SAM AND GREATER AMERICA

The Goebel press delights to howl "Imperialism" at us; but what think you of "Goebelism"?

It such men as Editor JIM ALLEN of The Cynthians Democrat had been placed on the Election Commission, the people of Kentucky would have been saved the disgrace that now hangs like a pall over the once proud old Commonwealth.

THE "HON." THOMAS F. HARGUS, the mulitator of the Rowan county records and the family Bible, has bobbed up as chief attorney for the Goebel vote thieves in Louisville. The conspirators thought their work was just about dirty enough for Hargus; and Hargus thinks so too.

Lay off the ignorant Negro vote of the cities and the little white vote of the mountains, and the Republican party wouldn't show enough strength at the polls to entitle it to a place on the official ballot next year. *Lexington Times.*

And all that the thieves of Louisville went to the Penitentiary and there'll not be enough Goebelites left to make up a game of poker.

The Courier-Journal must be edited by Colonel ANANIAS. How else:

"The scenes witnessed by one end of the state to another on election day were tragic to contemplate. There was not a Precinct where some United States Deputy Marshal was not pronouncing above to be handy when necessary."

THE LEADERS simply take the Democratic Goebel Democrats—of Mayville to say whether the above is true or false.

The Courier-Journal does not say this because it is true, but because it intends to set before its readers a plain, unvarnished lie. The fact is, there are only nineteen Deputy Marshals in the whole state of Kentucky. Not a single Special Deputy of any kind was present. In the entire state of Kentucky were all our regular voters where they belong. It is simple mathematics that nineteen Deputies could not lie prowling around the election Precincts in 119 counties, containing more than 2,000 Precincts.

ONE after another the Honest Democrats who supported Mr. GOEBEL are declaring themselves. They have grown disgusted with the disgraceful tactics of the thieves who are trying to dislodge them.

Another Honest Man.

for the single purpose of placing Mr. GOKSNAT in the Governor's chair—and themselves in some promised position.

The most recent acquisition to the rapidly-growing number is Editor JAMES M. ALLEN of The Cynthians Democrat, who honors himself and his profession by this courageous and manly protest against the methods of the political villain.

Another National Bank of War condition of affairs has arisen in Nelson county over an error of the County Clerk or the man who printed the ballots. On the basis of this error, the Rep. candidate for Governor was printed correctly, but in the certificate in the back of the ballot-bocks, with the exception of one section, was printed W. P. TAYLOR instead of W. S. TAYLOR. The Election Commissioners therefore declared that the error had received 1,198 votes, while W. S. TAYLOR 23 votes and WILLIAM GOEBEL whatever the ballot called for. This action increased Mr. GOEBEL's majority in Nelson from 688 to something like 1,900.

"It may surprise our readers, but there are actually some men who believe this is a right thing to do, and W. S. TAYLOR should be deprived of all except 73 votes in Nelson county. We do not believe in the method of printing the ballot, but we are willing to stand for any such action. The mythical W. P. TAYLOR did not receive one vote in Nelson county, and he is not even listed. W. S. TAYLOR was voted for by probably 1,271 men, but, because an initial in his name is incorrectly printed in the certificate, three thousand fail in his own eyes. It is urged that he be deprived of all the votes cast for him. Is there any Democrat in Barren county who would stand for this? Is it fair play? We do not think so. It would not be honest. It would not be just. It would not be right. It would not be true. It would not be fair."

"Doubtless some contention would hold; what is there to prevent any County Clerk, or any printer who handles the ballot-bocks from misprinting the result of an election by misspelling a name or misplacing an initial? Upon what sort of foundation would the suf- fragists of the world stand?"

Again we say we cannot believe fair-minded Democrats would stoop to take advantage of such a method. All true Democrats will wish for the success of the Democratic ticket, which would see a Democratic Governor inaugurated and a Democratic Legislature elected; but no honest Democrat would wish his party to win by votes that his candidate did not receive.

No honest Democrat would desire a certificate of election secured by juggling returns, throwing out counties and on the basis of a few thousand votes, as the people as expressed at the polls. If an attempt were made to deprive a Democratic candidate of the vote of Nelson county, would the Democrats stand it? Not much. They would rather tear down the Courthouse.

## KENTUCKY FLASHES.

Kentucky Printing Awards.

FRANKFORT, Ky., Nov. 21.—The governor, auditor, treasurer and secretary of state, who with the attorney general, compose the state board of printing, met Monday and awarded the state printing, first and third classes, to George G. Fetter, of Louisville, and the Standard Glass Manufacturing Co., of Louisville. A. G. Montenegro, of Bardstown, both had in much lower bids than Fetter, but were turned down. Fetter is the present state printer.

Sheriff's Deputy Arrested.

LEXINGTON, Ky., Nov. 21.—Cloud Hoxworth, brother of Sheriff Henry Hoxworth, and a deputy in his office, was arrested Monday by Deputy United States Marshal Con McCarty on a warrant charging him with attempting to influence the outcome of an election in the Bell's school house precinct. No vote was taken in that precinct, the contention being over the admission of inspectors.

Special Election in the Seventh District.

FRANKFORT, Ky., Nov. 21.—Gov. Bradley issued a proclamation for a special election in the Seventh district December 18, to elect a successor to Congressman Evan Settle, deceased. Judge Ira Julian, of this city, and Judge James H. Mulligan, of Lexington, ex-consul to Samoa, are announced candidates.

A Shooting in Clay County.

LEXINGTON, Ky., Nov. 21.—At Benetown, Clay county, Monday, Fred Bowling and some friends on one side and six Leslie county men on the other engaged in a gun fight, which resulted in the shooting and serious wounding of two of the Leslie county men by Bowling and his friends. No arrests have been made.

# ENTERS DAGUPAN.

Gen. MacArthur Found That No Insurgents Had Been There For Some Time.

## REBELS GATHERING AT SAN MIGUEL.

MacArthur Preparing for an Attack. His Forces Being Disposed Between Durban and Dagupan.

Gen. Wheeler Decides Not to Return Home for Congress—There is a Revival of Insurgent Activity South of Manila, Particularly in Cavite.

MANILA, Nov. 21.—There has been a revival of insurgent activity south of Manila, particularly in Cavite province. At Imus Sunday the Filipinos fired a smooth-bore cannon, but this was soon silenced by the American artillery.

In the course of the morning Maj. Cowles, with a battalion of the 4th infantry and two guns, scattered the enemy from the districts around Imus and in the direction of Perez Des Marinas. The Americans could not pursue the retreating insurgents because their ammunition was exhausted. The Filipinos were under the command of Gen. Mariano Trias.

Spies report that the insurgents are coming into Cavite province from Calamba, in Laguna province, and the other southern provinces. The insurgents have smooth bores and two mortars. Fighting was in progress Monday afternoon and it is reported that there are more insurgents in the vicinity of Imus than ever before.

Gen. MacArthur's reconnaissance entered Dagupan Monday afternoon. The Americans found that no insurgents were then in Dagupan. The 3rd infantry, probably in Dagupan Sunday, leaving Sunday night. No insurgents have been seen any where near the railroad, and it is believed that the only armed force of any size is in the mountains of the province of Zambales to the west, although there are reports of insurgents concentrating at San Miguel De Camiling, west of Pandi, and at the junction of the Magalang, west of Bayabang. Gen. MacArthur is prepared for the attack his forces being disposed between Durban, province of Tarlac, and Dagupan. The 12th infantry, a battalion of the 7th infantry and two troops of cavalry are with Gen. MacArthur before Dagupan.

Gen. MacArthur has decided not to return for congress. He is writing a letter to President McKinley with a request that it be forwarded to the house of representatives. In the course of an interview with a press correspondent he said: "Congress, if it occupies that first day of the session in passing a resolution declaring in unmistakable terms that the sovereignty of the United States extends over the Philippines, thus dispelling Aguinaldo's delusion that the anti-imperialists can assist him, will be performing a sacred duty. Such a resolution would save the lives of many American soldiers and thousands of deluded Filipinos, would avert famine, suffering and desolation from these islands, and would render unnecessary the expenditure of hundreds of millions of dollars."

The people on Cotta Iba, on the southwestern coast of the island of Mindanao, desire the establishment of American government there, and have addressed a petition to Gen. Ows asking him to send troops.

Two columns, one from Imus and the other from Bacoor, converged on the Zapote bridge, where they found a deserted Filipino camp.

Two troops of the 4th cavalry, four companies of the 4th infantry and two guns of Capt. Riley's battery proceeded to Anaboo, south of Imus, and came upon the enemy entrenched at that point. They scattered the Filipinos, but as the latter were subsequently reinforced, the Americans returned to Imus under fire, seven of men being killed and twenty-four wounded, four dead insurgents at Anaboo.

Thirty insurgents, under a major, escaped from Bayambang Sunday about ten minutes before the Americans entered. Others, it is said, threw their guns into the river and now play the role of amigas. Many Spanish prisoners escaped from the Filipinos, returning to Manila, and the former governors of the province of Tarlac and Zambales. There is also quite a large colony of former insurgent officers collected at that point, including Maj. Ortiz, who acted as interpreter for the Filipino commission headed by Gen. Alejandrino, who visited Manila in September. Ortiz and his party are still holding out and announces that he has abandoned the insurrection.

The Spaniards say that the new insurgent capital is Benguet, and that the American prisoners are at Cantilin. They report having seen Lieut. Gilmore and his party in the north.

### Drank Poison.

CHICAGO, Nov. 21.—Dr. S. M. Wilkie, a dentist living at 1233 Wabash avenue, committed suicide Monday night by drinking poison. From what the police can learn Wilkie had not been living with his wife for nearly four months.

**THE "MIXED SCHOOL"**  
Superintendent Anderson Notified to Give Up a Sunday-school Which He Started in Which Blacks and Whites Attended.

CORDELE, Ga., Nov. 21.—Notice has been served on Mr. Anderson, at Lilonia, near here, that he must give up a Sunday-school he had started which both white and Negro children attended. Lilonia is a colony of northern settlers in the Georgia and Alabama road about seven miles from Cordele. Mr. Anderson is one of the settlers and some time ago started his "mixed school."

A meeting of the people in the neighborhood had been held and resolutions adopted declaring the school a "vile nuisance," which should not be tolerated and a committee appointed to inform Mr. Anderson that his school must be disbanded or he would have to take the consequences. That gentleman informed the committee that he would continue his school at all hazards. Should he persist in his determination trouble will result.

### THE PRESIDENT'S MESSAGE.

**The Section Relating to the War Will Be Held Open as Long as Possible**  
—Other Sections About Finished.

WASHINGTON, Nov. 21.—The secretary of war spent over two hours with the president Monday discussing his annual report, on which report will be based some of the most important sections of the president's message to congress. It is understood that this section of the message will be held open as long as possible, awaiting development of the situation in the Philippines, which may change the status of the situation almost daily.

The other sections of the message are nearly completed, but to finish the message before congress meets will call for a large amount of hard work. Owing to this fact it is probable that the president will not be able to go to Nashville to participate in the welcome home of the Tennessee regiment. No definite determination has been made, however. If the trip is undertaken it will be made in the briefest practical time.

### Postal cards.

WASHINGTON, Nov. 21.—The postmaster general has ordered that private mailing cards addressed in the domestic mails or to the Philippines, Guam, Cuba, Porto Rico, Mexico and Canada need not hereafter bear the words "postal card," or "carte postal," though it is still necessary for other postal union countries. Domestic postal cards also directed to be admitted to the foreign mails if the words "carte postal" are placed on them.

### Fired on the Mob.

CORONADO, Nov. 21.—A masked mob of about 75 men attacked the jail here at 11 o'clock Monday night in an effort to secure Wm. Collins, a white man. Collins attempted to assault Miss Minnie Kirkus, who lives near the Porterdale mills.

### Went Over the Falls.

NIAGARA FALLS, N. Y., Nov. 21.—A middle aged, well dressed man engaged a hack here Monday afternoon and told the driver to take him to Falls, overlooking the falls. Arriving there, he left the carriage, walked deliberately into the water and passed over the falls. There were several people in the vicinity at the time. There is no clue to the identity of the suicide.

### Emperor William at Windsor.

WINDSOR, Nov. 21.—In the course of the afternoon the emperor went for a stroll in Windsor park, inspected the queen's prize castle, and visited the armory. There was a family dinner party at the castle Monday evening. Tuesday an elaborate banquet will be given at St. George's hall. United States Ambassador Choate will be among the guests.

### President Diaz Will Be Re-Elected.

CITY OF MEXICO, Nov. 21.—Reports from the liberal party general committee from all over the republic show many demonstrations on the part of the people in favor of the re-election of President Diaz, and he will be the unanimous choice of the national convention of his party.

### Ex-Senator Edmunds Ill.

### LADYGREY DESERTED BY THE BRITISH

English Made Two Unsuccessful Attempts to Oust the Rustenburg Commando Near Maefeking.

Severe Fighting Took Place—Reports of Heavy Battle at Ladysmith Not Confirmed—Gen. Joubert Reportedly Ed to Moving south.

LONDON, Nov. 21.—The Standard publishes the following from Lady Grey:

"The arrival of the relief column at Euston has completely modified the plans of the enemy, and Gen. Joubert has moved to the south in an effort to prevent the junction of the two British forces."

ESTOURTEAU, Nov. 21.—Maj. Bethune's patrols have located the enemy on the northwest, about ten miles off. The Boers would not be drawn.

Fighting is reported at the Modder river.

The Boers are doing more looting than fighting and all their parties south of Ladysmith are foraging on the farms.

Advices from Ladysmith tell of brilliant service stories with comparatively slight loss on our side and heavy

### THE KENTUCKY MUDDLE.

Democrats Concede a Majority for Taylor on the Returns, But Hope to Throw Out Louisville Vote.

FRANKFORT, Ky., Nov. 21.—The democratic state campaign committee concedes that Taylor has a majority on the face of the returns, but bases a hope of the election of the democratic ticket on throwing out the vote of Louisville on account of interference of Bradley's soldiers, and Johnson and Knox counties, where tissue ballots were used. The Kentucky election law plainly provides for a secret ballot, and the democratic leaders insist that they are not as well fortified in the defense of their interests in Johnson and Knox county cases as might be, but do not credit to any extent the democratic claim regarding Louisville.

In fact, they assert that should Louisville be thrown out on the pretext claimed, they will not stand for the election of Taylor, but will insist that Gov. Bradley will back them in resistance which they say is already fully planned. Goebel managers Monday announce they will not take an appeal from the decision of Judge Jones at Glasgow, where 1,193 majority of Nelson county votes erroneously certified for W. P. Taylor were ordered counted for W. S. Taylor. In this case, the Boers will be wiped out to give Goebel a majority, but his managers, it is believed, are collecting evidences of alleged fraud in various republican counties, and in this will ask the state election board to throw out those counties. Senator Deboe came back Monday night and is supposed to be in

Charity Ball Disapproved.

KANSAS CITY, Mo., Nov. 21.—The Catholic church, through Fr. Rev. J. G. O'Neil, auditor of accounts of the diocese of Kansas City, has set aside a portion of the disapproving charity ball which it was proposed to hold in the convention hall on Thanksgiving evening for the benefit of the Orphan boys' home, and this event, from which it was expected fully \$0,000 would be realized, has been abandoned. Great preparations had been made for the event and many tickets had been sold.

The legislative result in the county now stands one republican, five republican and three democratic representatives. When the county board meets again Wednesday it will hear arguments on the motion, notice of which was given several days ago by counsel for the democratic candidate to throw out the vote of Jeffers, who contended he was illegally elected in the state militia. A committee of the state militia, however, has filed a protest against the action of Taylor, a plurality of nearly 2,000 on the uncontested votes.

Beyond the fact that the Boers are daily receiving fresh reinforcements and supplies, there is practically nothing new from the front. The Boer army continues steadily.

There is a 1,300 Boers at Cobsleigh, and news has reached East London that Ladysmith, near Aluwai, north, has been deserted by the British and is now in the hands of the enemy.

A Pretoria dispatch announces the arrival there among the prisoners of Maj. Haldian, Lieut. Broochie and Lieut. Hart, who were captured by the British on Sunday and made two unsuccessful attempts to oust the Rustenburg commandos from a position near Mafeking, and that severe fighting took place.

Gen. Joubert is evidently moving south to prevent if possible the junction of the British and Boer forces. The Boers are believed to be concentrating at Donkerport to oppose Gen. Buller's advance. It is said 6,000 Boers have already landed at Donkerport.
